IT'S NOT MAGIC

It's Science & Advanced Technology.

It's the knowledge & wizardry of our polymer scientists and the practical skill of the Crown Polymers team of experts.

Crown tackles & solves difficult problems and creates innovative products of superior quality. Crown Polymers has emerged as an industry leader because its results seem like magic by comparison to those of competitors.

Now you can present clients with the best flooring solutions. Order your free CD-ROM Call 888.732.1270 today!

Crown Polymers commercial, institutional, residential and concrete restoration products are ideal for use in a wide-ranging number of applications including retail showrooms, hospitals, schools and heavy-use industrial environments where extremely harsh conditions often exist and where Crown products solve seemingly impossible problems. . . as if by magic.

Knowledgeable specifiers, installers and contractors understand that working with Crown products allows the shortest downtime and is the sure way to produce high quality results, profits, and satisfied customers.

Crown Polymers offers the industry's most qualified technical support and dedicated customer service personnel.

We promise to provide the best products and service in the business.
