CrownSpatter™ & CrownChips™

SpeedCove™

## FOUR ON THE FLOOR

### Shift Gears & Win With Crown Polymers

Crown products make every job beautiful, and now, SpeedCove™ makes them even easier!

CrownSpatter™ allows you to offer customers the most distinctive floors anywhere. And, CrownFlake™ offers virtually unlimited creative possibilities.

Now you can present clients with the best flooring solutions. Order your free CD-ROM Call 888.732.1270 today!

For industrial & Institutional applications, self-leveling CrownShield® SL solves floor damage problems. And, when used as a solid color, or enhanced with colored flakes & a top coat, creates a polymer surface that is as handsome as it is tough.

In addition, Crown Polymers is always creating new products and improving its expansive collection of colors and finishes for both interior and exterior use.

Crown Polymers offers the industry's most qualified technical support and finest customer service department.

We promise to provide the best products and service in the business.
