

BRIGHT IDEAS

IMAGINATIVE PRODUCTS LEAD TO PROFITS.

Innovation, Quality & Leadership.

Crown Polymers has become the industry leader as a result of its ability to innovate and create exclusive new products that help contractors and installers win business and earn profits.

CrownGlow™, a product of Crown's imaginative polymer scientists, provides supplemental illumination in areas where an extra measure of safety is useful.

Crown products are ideal for schools and many other institutional settings because they are cost effective, offer unsurpassed levels of durability and provide years of maintenance free life. Classroom floors, gymnasiums, labs, kitchens, dining areas, as well as shower and locker rooms are only a few of the areas where Crown Polymer floor overlay products are ideal.

Crown is unique among competitors because of its ability to promptly apply its technical knowledge and creative muscle to provide solutions for industrial, decorative, commercial, institutional and residential polymer floor and wall systems.

In addition to innovative products, Crown Polymers provides prompt and professional customer service & technical support from the industry's most qualified team of experts, a team dedicated to being the best in the business. Contact Crown Polymers for information on Polymer Overlay College™ dates.
