

WIND, RAIN, SLEET OR SNOW

Crown Polymers Products Will Keep You In Business 365 Days Per Year.

From a freezer floor installation in the Arizona summer heat, to a factory floor in the middle of a Midwestern blizzard, our experts can keep you productive year round, no matter your location.

Now you can present clients with the best flooring solutions. Order your free CD-ROM Call 888.732.1270 today!

In addition, at Crown we are always creating new products and improving our expansive collection of special product formulations.

For industrial & institutional applications, self-leveling CrownShield® SL solves floor damage problems. Our high performance products, including our high and low temperature cure overlays, are designed to be applied and perform superbly in even the most hostile environments.

Crown Polymers offers the industry's most qualified technical, marketing and finest customer service department.

We promise to provide the best products and service in the business.
