## EPOXY MOXIE

### We have the experience and products to handle any floor coating challenge.

Crown Polymers offers the most extensive product line in the industry, including industrial coatings that make year-round applications possible in virtually any environment, ranging from extreme heat to sub-zero temperatures.

Now you can present clients with the best flooring solutions. Order your free CD-ROM Call 888.732.1270 today!

Plus, while competitors offer six or less, Crown offers twelve decorative systems.

Crown's hands-on training programs produce the most skilled and knowledgeable installers. Graduates of Crown's Polymer College understand floor coatings and have the ability to identify flooring problems and provide economical solutions.

In addition, certified installers have the added benefit of Crown Polymers' expertise and exclusive products, assuring that each job meets customer expectations.

Crown Polymers offers the industry's most qualified technical support and customer service personnel.

We promise to provide the best products and service in the business.
