

# GET IN ON THE GROUND FLOOR

## Floor coatings are the place to start.

When included in new construction or restoration plans, Crown Polymers products offer the cost-effective benefits of easy installation, durability, beauty and years of maintenance free life.

Now you can present clients with the best flooring solutions. Order your free CD-ROM Call 888.732.1270 today!

Crown Polymers offers the most comprehensive product line in the industry.

For example, while competitors offer six or less, Crown offers twelve decorative systems. Plus, Crown's industrial and restoration products make year-round application possible in environments ranging from extreme heat to sub-zero temperatures.

In addition, savvy installers know that working with the Crown Polymers line of quality products is the sure way to profitability and satisfied customers.

Crown Polymers offers the industry's most qualified technical support and customer service personnel.

We promise to provide the best products and service in the business.
