PRODUCE TASTEFUL RESULTS

Not your garden variety floor overlays.

Crown Polymers offers a wide selection of products to economically transform concrete floors, from ordinary to special, in a matter of hours. In environments where beauty, durability and ease of maintenance are critical, Crown offers the industry's most expansive line of decorative products.

Now you can present clients with the best flooring solutions. Order your free CD-ROM Call 888.732.1270 today!

For industrial environments where electrical, chemical or other volatile substances exist, Crown provides specialized formulations that assure safe operations and long-lasting, easily maintained floors.

Crown's line of restoration, industrial, commercial and residential products make application possible in virtually every situation, including extremes of hot and cold. Improved SpeedCove provides the added benefit of ultra-fast cove detailing allowing jobs to be completed quickly and profitably.

Knowledgeable installers understand that working with Crown Polymer products is the sure way to increased profits.

Crown Polymers offers the industry's most qualified technical support staff and customer service personnel.

We promise to provide the best products and service in the business.
