

Crown Polymers Press Releases 2008

CrownFlake™ **Stylish, Durable & Green!**

CrownFlake™ makes a long lasting impression. This product creates a distinctive and appealing look and is ideal for showrooms, retail stores, restaurants, residential, school classrooms, salons and where a beautiful surface is desired. CrownFlake exceeds OSHA and ADA slip resistant requirements, while complying with strict LEED® Green Compliance standards. CrownFlake™ has zero VOCs and HAPs and is as safe as it is beautiful.
