

Crown Polymers Press Releases 2009

CrownSpatter™ **There's Nothing Like It!**

Date: January 2009

Publications: Jobsite Concrete Surface Prep/Repair & Coatings

CrownSpatter™ offers a virtually unlimited number of patterns & colors and a unique marbled effect that adds a rich distinction to any floor. And, because Spatter is sprayed on, large areas are seamless and can be quickly covered creating an effect that can not be achieved by conventional roll-on application methods. Each application can be individually customized to create that one of a kind look.

CrownSpatter™ offers designers, decorators and creative installers a virtually unlimited pallet of choices to match any decor. LEED® Green Compliant.
